Delivering...

Speed

With unmatched technology, Statements Express can take your data file to create and mail statements to your customer base with excellent efficiency.

Accuracy

Getting it done right is top priority at Statements Express. We are an affiliate of Williamsburg Mailing Services, a direct marketing services provider since 2001. We can guarantee pinpoint accuracy that will get your statements out quickly and accurately.

Privacy

Identity Theft is a growing concern throughout the United States. However, Statements Express by Williamsburg goes to great lengths to protect your customer's data. Not only are our data lines secure, but our employees are licensed, bonded and signed to confidentiality contracts.

Easy & Efficient!

Just send us your data file. We then print customized statements with our high-quality laser printers, ensuring the utmost of sharpness for your statement's images and text. Next, we mail them on-demand at a fraction of the cost, saving your institution time and money.

Your customer's statements provide an essential link between your institution and their on-going business.

Why Outsource!

Outsourced statement & overdraft printing and delivery is growing exponentially! It just makes sense! Direct Marketing companies are equipped to streamline the process, while passing the savings on to you!

"In the banking industry, trust is paramount!"

Trust

It's vital in your business and trust is also extremely important to us! Trust is why we go to great extremes to create safe and accurate data. Trust is why we create a secure work environment. Trust is why we are in business!
